What other GC's are saying:

"...Strengthen relationships with our current subcontractors and connect with new ones we haven't yet had the pleasure of working with... provided valuable insights into subcontractors' capabilities and expertise, enabling us to better match them with the right projects. We also gained a deeper understanding of their challenges, allowing us to collaborate more effectively and ensure smoother project execution." - **Wright Construction Group**

"We value our relationship with ASA SWFL and the subcontractor's they represent." - **Manhattan Construction**

WHY HOST YOUR OWN “COCKTAILS WITH A CONTRACTOR”?

The Benefits:

- Meet quality subcontractor's working in SWFL, specific to your company's needs and wants.

What other GC's are saying:

“...valuable experience for our team as it enabled us to strengthen relationships with the existing subcontractors we are already working with, as well as meet new subcontractors since we are always looking for qualified trade partners. Additionally, this gave us an opportunity to share our process and introduce our newer team members—we are happy to support ASA.” **Stevens Construction**

“good opportunity to engage with local subcontractors and deepen the relationship with existing companies. Enjoyed speaking about struggles in the industry and how we can work together.” - **RDJ Construction**
